*** VGM ***

In line with SOLAS regulations, it is a mandatory requirement to supply a VGM ahead of shipment. It is recommended to provide the VGM as soon as it is available but no later than the VGM cut-off date listed on this booking confirmation. Where a VGM is not available at the time of VGM cut-off, short shipment may occur with any subsequent costs remaining for the account of the cargo. In all instances it remains the shipper's responsibility to arrange VGM via the appropriate means. A number of terminals will require a VGM ahead of the container(s) arrival making the VGM cut-off date obsolete. Those terminals will be highlighted on page 1 of this confirmation.
